

HAVE A HAPPY

OUTDOORS EASTER!

Friday

Adults/Teens

Set up the tent and have a backyard camp out!

Kids

Day: Head out to look at the clouds. What shapes can you see? Make up a story about the cloud figures.

Night: Look up at the stars. Can you identify the Southern Cross in the sky?

Saturday

Adults/Teens

Fire up the BBQ and have your family dinner outside. Yum!

Kids

Use the template at <http://ow.ly/6i7O5Oz8HVA> to create your own Easter bunny. Use leaves for ears and make him colourful!

Older kids might want to paint smooth rocks with a bright Easter theme.

Sunday

Adults/Teens

Make a cubby that the whole family can fit in!

Kids

Grab a crayon and some paper, and make rubbings from tree bark, leaves and other interesting things from the garden.

Monday

Adults/Teens

Grab the camera and take a snap of 5 different birds/insects in the garden. Can you identify them all?

Kids

Find a quiet spot in the garden, stop with your eyes closed and listen for 1 minute. Try to name each sound & smell. Then, grab your magnifying glass for a bug hunt. How many different bugs can you spot?
